### QOL: Meeting w/ Jeff Swinson and Marty Fallier

- Last meeting was the day after our previous UEC meeting (March 14<sup>th</sup>)
- Jeff reported that a contract was being prepared for the cafeteria kitchen to be closed. Three different outside vendors would come in each day (M-F) for cashless food offerings. The "food court" would be open for two hours for lunch only.
- Asked that Marty Fallier give a presentation be given at the AUM to help inform people both of Discovery Park Developments and Food Services
  - Construction will have started on the road change necessary!
  - Perhaps provide materials to community before the talk gather questions ahead of time?
    - We want the conversation to be constructive
