  - BNL has canceled all onsite meetings through the end of April
  - Further cancelations from BNL/DOE are possible (likely?)
  - Many universities have indefinitely suspended out-of-state travel, on campus meetings, face-to-face classes, etc
  - Ron needs to send a message to the workshop organizers soon acknowledging various concerns and suggesting some kind of plan
  - We need guidance from the BNL management about when we should expect a decision from above (BNL/DOE) or when we should make our own
  - We need to decide whether online participation is feasible (input from ITD?) and desirable (UEC discussion)
