Collaboration codes of conduct

- Note: DNP workshop on diversity Oct. 11 to discuss this issue
- Issues:
 - It may be a good idea to run a Code of Conduct by a lawyer. Which lawyer?
 - Who owns and controls records? Whomever owns them can be subpoenaed.
 - How do codes of conduct work with bylaws?
 - How about the interplay between DE&I committees and the collaboration, since we don't want interactions with a DE&I committee to be overly punitive.
 - What are the minimum standards for a Code of Conduct?
 - Could a template Code of Conduct be useful?
